

**Minutes for Arlington Leadership Board**  
**Thursday, February 9, 2023**  
**Conference Room**  
**6:30 pm**

- **Prayer** - started at 6:31pm
- **Vital Signs\*** Attendance has been good this year. We still don't have an exact number for our online attendance. Our DS is looking for churches to have around 60% of their pre pandemic attendance, **Arlington is currently at 90!** Is there a way to have a link for a virtual attendance card? Our current platform we are using does not have this ability. We will be looking at ways to measure online attendance.  
The staff is looking at ways to continue their work on visually enhancing the sanctuary.  
The staff is also working on worship planning further out on the calendar. This will also include looking at mission opportunities and social engagements. Think about this in terms of evangelism.  
Work has begun on the Arlington website. Stay tuned for more information.  
Pastor Daniel has attended several hearings in Jefferson City on current legislation. Although he is not representing Arlington, he was asked as a member of clergy to come.
